

Private Room Use

Private rooms are available for dialysis without concern for others. Quiet and comfortable private dialysis rooms are recommended for patients who value their alone time. The goal is to improve QOL while performing dialysis for longer periods of time that is more gentle on the body.

Free access to TV and internet (Wi-Fi)

You can take your own meals

Laptop computers can be brought in for use

Equipment TV, Wi-Fi, side table, ozone generator, nurse call

Supported Facilities Shin-Osaka Medical Seikai Dialysis Clinic 2 rooms
Joto Iseikai Medical Dialysis Clinic 2 rooms
Osaka Umeda Iseikai Medical Dialysis Clinic rooms
